## Details of a sample 5-Day Private Safari

---

**Your own safari will be customized through one-on-one consultations.**

---

### **Day 1: Dashir - Tarangire**

After breakfast, depart Arusha from Dashir Lodge for Tarangire, the fourth largest National Park of the country.

Game drive with picnic in the park, home to magnificent large elephants and equally grand baobab trees set among typical African scrubland.

Overnight: Tarangire Safari Tented Lodge FB

---

### **Day 2: Tarangire - Serengeti**

After a sunrise game drive and breakfast, depart for Serengeti via Ngorongoro, driving through rural highland scenery. Stop at the viewpoint at the top of the rim offering a first glimpse of the famous Ngorongoro Crater, then continue to the Serengeti.

The game drive from the crater to your lodge is the beginning of your exploration of the Serengeti.

Overnight: Serengeti Osupuko Tented Camp FB

---

### **Day 3: Serengeti**

An optional extra: Sunrise Balloon Safari over the Serengeti offers an experience like none other – simply breath-taking!

Full day of game-viewing on the vast plains of the Serengeti, stopping for a picnic lunch - possibly by a hippo pool or one of the many animal watering holes.

Early mornings are the best chance of seeing big predators such as leopards, lions and perhaps even cheetahs trailing the herds of plains wildlife, such as wildebeest, zebra, and antelope.

Overnight: Serengeti Osupuko Tented Camp FB

---

### **Day 4: Serengeti - Ngorongoro**

After breakfast, slowly return to Ngorongoro via the famed Olduvai Gorge, an archaeological site often referred to as “the cradle of mankind.” En route game-drive. Optional visit to a Maasai Village.

Arrive at your lodge along the crater rim and enjoy the spectacular view as the sun sets.

Overnight: Ngorongoro Serena Lodge FB

---

### **Day 5: Ngorongoro Crater - Dashir**

Early breakfast, followed by descent into the famous Ngorongoro Crater to spend the morning meandering the many game-viewing trails on the Crater floor.

The encircling age-old forested slopes of the Crater and its lakes and swampy grassland are reputed to host some 30,000 animals and varied birdlife, providing a further wildlife experience to treasure.

Ascend and drive back to Dashir Lodge in Arusha for a relaxing evening filled with great food and safari stories.
